Dear Ronnie and Marlys,

I regret to inform you that Cathy, PJ and Abby's mother, passed away last Monday, 10 Jun 1991 after a year long battle with cancer. The children have moved in with me and we are all doing fine. At this time we are planning to attend the reunion in July, but other obligations may preclude our participation—I hope not.

Doris dropped me a note and reminded me on the phone today that you would like some information printed out on the descendants of Raymond Lambert for a church publication. I am sorry, but all of my activities have been on hold for a while in anticipation of recent events. I have printed out a Descendancy Chart for Raymond and a Family Group Chart for each of his known married descendants with children. As you can see, most of it is complete except for some of Dale's family. The information is as complete as what he sent back to me on the charts sent to him. Perhaps someday we can nail him down on some of the other particulars. I am also sending a Pedigree Chart for you, Marlys, to show a bit of Raymond's ancestry.

Hope to see you at the reunion. If there is any other information that you need, please feel free to contact me.

Sincerely,
