

Season's  
Greetings

Dear Richard:  
Here is a little chunk from  
the sale of our dear old home  
in Southern, Ohio. I hope you  
will use it to plan for a home  
of your own. If possible add  
a little more to it and buy  
a bond & then begin to add  
others.

May Christmas be merry,  
and the New Year

bring new joys to you!

I want to feel that my sons  
have a home when all age comes.  
Plan for it now.

With love

Mother H.
