Dear cousin Bette;

Your letter got to me by way of Mt Vernon, Ill. However I have been away from Mt Vernon for almost 12 years. Why it was forwarded to me after all these years is a mystery. I still have a few friends there and they may have helped. We only lived in Mt Vernon for 2 years but I was a very active member of the community there. This is home now since we have lived in the Pittsburgh area longer than in any other area during our married lives. You spoke of my children. I have but one - William Theodore Warfel living in Big Bend, Wis (now addition there there). He was born in Muncie Ind. in 1932. My husband, Richard Myers Warfel, to whom I was married almost 40 years died June 10, 1970. I was married in 1930 in Muncie, Ind.

Today, in this letter I can tell you nothing about the family history that I did research concerning it in the Penna Historical Soc. in Philadelphia and gave copies of Eliz Stanton Lambeth's travels in Ohio to the Swarthmore College Genealogical Library where we lived in Morton (3 miles from Swarthmore) for 6½ years. That was because they have 2 genealogies

maybe Ernest lived longer (I think) but maybe
about 1800. He died last week. It was Mayne Hall to Ottoburn College.

of the Stanton family. Eliz and Abner b. 1798
and 1790 were my great grandparents.
Swarthmore is a Friends college - founded by
the Hicksite Quakers and so are Bryn Mawr
and Haverford founded by the Orthodox
Quakers (one a girls school and one a boys
school.)

I own the house we bought after coming
back to Allegheny Co. Penna. Lately appealing
for a cut back of property assessments seems to
be what concerns people of Bethel Park. I was
up at the municipal bldg. yesterday trying to
get some relief. I suppose those problems
concern you also.

I am one of 3 children of William
Ottoburn Lambert (1st cousin to Oscar Lambert)
and Harriet Adams Lambert. I was b. July 25, 1901
My sister Lucile was b. May 23, 1903 and
her name is Lucile Lambert Welner (wife of
Leroy B. Welner) and they live in Orwell, B.
My brother is Charles Ottoburn Lambert and his
wife is Bernice Jackson Lambert. They live
in the country near Cincinnati Ohio (Batavia
P.O. # 3). He was b. Feb 22, 1905.

My son married a Southern girl Estella
Loena Carter from Birmingham Ala. They
have 2 little boys Richard Carter Warfel (aged 5)
and Stephen Lee Warfel (aged 3). Estella is 10
years younger than my son Bill.

Later I can fill in details of what I know
about the family.

Sincerely,
Your cousin
Pauline Warfel

this is the Pittsburgh area.
