Dear Sunset-heart,

Am waiting for train for home. Found the folks ~~at~~ ^{young Charles} Athens all right. Charles and Charles are with me. We talked until after 2 o'clock last night. I hope you got to sleep. I can count on going to bed about the same time tonight, but will likely be in good practice for next wk. I saw Dr. Super this morning. He said I could complete their work nicely in two yrs. Their book is more ~~work~~ ^{work} than mathematics, but you must keep good heart and not be too sad. I felt pretty lonesome yesterday after leaving you, but think I will have a nice visit. Maria scattered some Putnam Bay ones and I may have some fun. Be a good girl and I will soon be with you again. If you get this by Monday I think you might answer to Plantersville. Pardon pencil & paper, Sincerely D. H. Harris
