

Dear Margie:

It doesn't seem like Christmas here in Florida. Short sleeves, - no coat most of the time.

Altha has had some trouble with phlebitis in her right leg, but is better now.

Please use the enclosed for something you and Midge will enjoy.

I don't have Skip's address. Can you let ~~me~~ us have it? And pass on a bit of this to him?

I am here on half-time, but manage to keep very busy.

Love,

CHRISTMAS GREETINGS

and all good wishes for the New Year.

Altha and Dan
