Hi Paul,  
I finally found your address and a post-card in the same vicinity! I would like to stay in touch, even if it's intermittantly. We're well. Dave is now 28 & married & we have a 16-yr. who came into our family a year ago. On Dec. 3rd (evening) at Purchase Mtg., not far from Yonkers, will be a speaker on researching Custer and his love to all, Peg Keiser
