Dear Dick:

We still look back to our wonderful visit in Westerville. We had a fine trip all the way except several of the family "lost their cookies" on the last several miles of the trip.

We certainly did appreciate the wonderful dinner you had for us at William Grill. It made me very happy to see how well you look and how contented you seem to be in your work.

There is a slight possibility that I may be able to come to my class twenty-fifth reunion at Otterbein. I am not too sure about this but I will let you know if I decide definitely to come.

Be sure and look in "Seventeen" magazine next week for Diane. She will be presented by the Junior Chamber of Commerce at a luncheon here on the 31st of May and will be presented her gifts at that time.

Be sure and preserve the negatives of the pictures you took last Christmas. We thought they were wonderful and we would like some copies made.

Please let us know of your plans for the summer. If you can get in a few days at New Hampshire, we would love to have you.

In a few days Mother's autobiographical sketch will be completed. I am having my secretary, Mrs. Laubach, daughter-in-law of the famous Frank Laubach, to do the copying. I will see that you get a copy.

We are all well and very busy. Let us hear from you as soon as possible.

Deepest love from us all,
