

Waterville 0

Jan 28, '98

Our wedding will take
place 7:00 P.M. Jan
30, 1898. Unless some-
thing comes up more
than we are now aware
of we shall leave on
train here 8:28 and
leave Col 12:01, thus
arriving at Sharpsburg
on the evening train Fri.
We may have two trunks.

I suppose you
have told John, Frank and
George's. I did not know
where grandmother was, but
I presume she has come

home by this time.

We hope you will not
stop your work or do any
thing that will cause you
any trouble. So ahead with
you, regular supper
and we will take a
piece of some kind when
we come. We would be
glad to have any of
all of you here Thurs
evening, but cannot insist
on your coming.

Kind wishes to all.

J. D. Harris.
