Richard My Dear Boy:

Your previous message rec'd
Today. Forgive me for getting
impatient for a letter, I know
you are very busy.

Paul's telephone call was such
a relief - I had feared they were
ill or some bad luck.

Dans are rushing "fill-mill"
with their opera business. Last
night they went to Cleveland
to hear an out door opera, out
near Mamie's home.

I will let you know about
James' plans as soon as I
hear any thing.

I hope you can come up for
the opera. I shall try to watch
my D's & A's so you will not
be sleeping on the C.A.T.

Remember me to Grandma.

With Love

Mother
