Dear Dick:

I believe you have a birthday coming up soon, please take yourself out to dinner some evening, I only wish I could join you.

Today I am having lunch with Lucite and Levoy Webner, and their son and his wife, at Ft. Lauderdale, and tomorrow I will drive over to Fort Myers for a visit with Eva and Nana, Eva is 81, and Nana is still going strong at 102!

Take care of yourself,
and plan to come down
here for a visit one of
these days. I appreciate
your letters. Keep them
coming, I keep busy
with teaching, and friends
and neighbors are constant
doing thoughtful and generous
things for me.

I plan to attend an
Ottobear gathering next week
here in Miami.

Do keep in touch.

Love

Dan,
Happy Birthday!
