Dear Cousin Carrie,

We arrived here safely last Tuesday evening. Found our little family fine - Dan improved and Baby Diane with two new teeth - having now reached the sum-total of ten!

We did enjoy our visit with you so much - and those grape-fruit and oranges from your orchard are still supplying us with their excellent juices. Those were the best grape-fruit

I ever ate in my life!  
It was indeed a great  
privilege to really be  
in your Orange Grove!

I wrote to Hannah  
and told her what you  
said. I think it would  
be nice for you to write  
also - she would be  
happy to hear from you.

I trust you may  
keep well. It was  
a great joy to see  
you again and we  
surely did appreciate  
your kind hospitality.  
I hope you can visit us  
in our Westerville home  
some day.

As always,  
your loving cousin,  
Caroline L. Charles

Metta Selby - your Queen her - did not  
you? she is Frank Selby's sister.
