

MAILED

DONNER LAKE

Amesville, July 29, '96.

Miss Lambert,  
Oberia, Ohio.

Dear Bertha:

I am at home again. Alice died last this morning at 3:45; passed away very quietly although she had been suffering untold agony. Funeral will take place at Union tomorrow 2. P. M. I have not gotten your last letter yet, but suppose it will come all right. Federal is high it would swim a horse for several rods at Union Henry so I left the horse there and footed it on to town.

I came down to send word to the boys at Athens

I hope you are getting along  
nicely with your work.  
I have been anxious to hear  
from you and suppose there  
is mail at Athens for me.  
I am limited in time  
so I know you will excuse  
me for such a brief note.  
I am looking forward to  
a long good talk with you.  
your love,  
J. H. Harris.
