

276 Forest St.

Oberlin Ohio

Dear Richard: I dreamed
about you all night so
it must be time to write.
I thought you were struggling
to get that thesis done and
I hope it is true.

Dan has two more weeks
at Tanglewood. I think the
summer should mean
much to him.

Mr. Burns the public school
man here is leaving for
Wesconsin Univ.

James's seem so happy
over their little son,

Carrie is back in Westerville
with Philo, I think she plans
to go to the P. I.

Storays are going to Mich.
for a month, and I think
Althar boys may go over
to drive back with Dan, see
Niagara etc.

I was sorry to learn the
Columbus Symphony is
folding up.

Mr. & Mrs. Jenkins who were
in Bouchake, are here
attending Rel. Ed. gathering
and may call today
Let me know if you plan
to get M. A.

and come up if you get
through and have a little rest.
No car here till Dan gets
home so you can come on two.

Carrie may call you to
come up and see Phil.

~~If Richard sent you pictures
like I sent~~

Tomorrow we are all invited
to the Stacey's for dinner
Mr. Stacey will come and
get us, and then bring us
home. They go away on Sun.
Floyd Roberts, lives at
Pittsfield near Tanglewood
and they had Dan for dinner
Their son is in school here,

Carrie may come up
this way and spend some
time here if Althea goes away.
If she does not I may
run over to Paul's or come
to Grove City

With loads of love
Mother.
