my Son these time in life was
more the subject of my thoughts
than ever in those previous
but we can only wait with
patience the results of this civil
war that seems in the allies favor
I believe if less glory was given
to Grant and with confidence
placed God he would soon rule
this world with just laws but
be as it may we will give him
all the praise now we will
look for thee to send us word
of thyself our hearts will soon
be glad. I am no account

good by Lovingly

Yr Mother
As it surely was a great day in
Wetherhill yesterday I suppose 500.

for Red Cross. we are so anxious
to know - then we can only wait till
the glad news comes that is with Lord
of August well as common Mother
