Plantville O.

My Dear Joe: — Your letter was rec'd this afternoon. I was glad to hear that you got through all right, and hope you are now enjoying a pleasant visit with your folks. I can imagine you felt a little a little strange to be back at Mt. Vernon, but you are

more accustomed to such  
changes, than I.

Father came home today  
and we expect Alva's  
tomorrow and Otterbein  
the next day, and List of  
all you on Sat.

I hardly know what  
to do with myself after  
you left, I went around  
like a lost sheep.

Tomorrow evening we  
have our Christmas  
entertainment at the  
chapel and a sunrise  
prayer-meeting at  
the Pres. church Xmas  
morning.

I hear, that you preached  
a wonderful sermon  
at Mt. Hermon yesterday,  
nor did I dream it.  
It came straight through  
from Sharpsburg.

I wish you tonight  
be here next Thurs. we  
expect to kill the "fatted  
calf." Yesterday I attended  
S. S. church, the volunteer  
band, C. E. and a Xmas  
service and I think I  
ought to be good if going  
to church has any effect.

I hope you may enjoy  
a pleasant visit, and  
I think you can enter  
school feeling that  
your time has not been  
lost.

Praying for God's  
blessing upon us.  
I am ever

Your Sweetheart,  
Bertha Lambert
