Dear Cousin Gen,

I have just gotten around to putting together some materials that you wanted me to send to you for some time. Please find enclosed the following:

A copy of a letter written to Joseph Harris from his father and step-mother, and the enclosures that came with it. The letter actually appears to have been written by Margaret. Enclosed with the letter was a seven page abstract of Richard Harris's Bible record prepared by Lenora MCP in 1913. I have no idea who that might be and would appreciate any help you may be with that.

As you can see from the above letter, Richard Harris's Bible was in the possession of the North family in 1913. I know the names of John and Sarah North's children, but not of their spouses or descendants. Perhaps you might have some additional awareness of this family?

Sorry it has taken me so long to get this to you. If you have any questions or can be of any help on any of the above questions, I would appreciate hearing from you.

I am still working on getting the right land record films to find out more about the Thomas family. Will let you know if anything comes of it. Thanks for sending the leads.

I don't know if you are home yet, but I am sure this will find you or be waiting when you return. Hope you had a great time in Florida this spring.

Sincerely,
