

Oct.

Dear Linda + Mickey,
Rec'd your
birthday cards and thank you
for them.

I hope you can read this.
My hand is not too good.
Mr. Archilew died. She was
buried yesterday.

I can't remember birthdays so
you will have to excuse me.
I hope you will write me when
you have time.

Hope you are doing well in
school.

Grandpa and I rec'd cards from
Mother and Dad.

Hope this finds all well!

Love to all.

Love and kisses,

Grandma + Grandpa
