Dear Paul,

My thoughts have been other than family history lately and then I received this letter from Ruth Hart at the Morgan Co Chapter of Ogey McConnelville Ohio and I got excited. Maybe you already have this newspaper article but I'm sending a copy along any way. I'm making copies for all my first Cousins.

Some day we're going back to Chesterhill & Plantsville and try to find things. Now who is the Wesley Harris who sold in 1950 to Dick Bowman. And who is Otterbein Lambert?

ASK BARBARA
HARRIS

I'm enclosing a check to cover all the postage and things that you have shared with us. We know things are hard right now

Hope the kids are doing well.
Our prayers are with you.
We all just need to trust the
Lord for all things. He's in control.
and only just a prayer away.

Thanks for everything
God Loves you & so do we
