

ADELPHIAN LITERARY SOCIETY,
WESTERVILLE HIGH SCHOOL.

Westerville, Ohio, June 7, 1896

Mr. J. H. Harris,
Athens, O.

My Darling Joe! - This morning amid the bustle and hurry of commencement I grasp a few moments to talk with you.

I rec'd your letter Sat. evening, and was very glad to hear from you! I almost felt like I was in another world after you left.

It was so lonely I hardly know what to do.

One great blessing is that I have had plenty to do, so much that I could scarcely find time to write. Fri. evening when we came home from society we found Johns here, Sat. evening Miss Mayne and Miss Michael came from Dayton. If you were here I think you would have to hang up on a nail. However, if we are crowded, we are enjoying a happy time. All the commencement exercises are passing off nicely

We are having a great deal of rain & mud
which makes it bad for the nice dresses.

I think a little of going to Liberia
again and get up a small, junior class
and canvass the towns near there.

I wish you might have been here for
the rest of course, but I was so glad
you were here when you were.

I hope you are enjoying your work
and succeeding as usual. Sun. afternoon
we listened to an interesting talk from
Mr. Butler, one of our returned mission-
aries. John & Lucy are very glad to be remem-
bered by you and send their kindest
regards. I am sorry I did not get to
write sooner, but it was almost
impossible.

I will write no more this time

I am still Your true one
Bertha Lambert.

If not called for return to
