Aug 30.

Dear Dick:-

Will drop you a few lines on this stationery which Elinor gave me.

We had a nice note from her saying she had enjoyed seeing Columbus

with you. So glad you got together. We think she is a wonderful girl, and hope we can all get together again.

Suzie had a wonderful time at Scout Camp. Diane got back from Chautauqua and loved it all. Jimmy loves his guns and is a busy happy boy.

Phil & Dot shipped grandmother Lambert's table & we have it under Dad's portrait. We prize it highly.

Hope you are well rested for the new year's work. Think over your

future, as we know you
will seriously. You have
made a wonderful contribution
& that community and
perhaps you should continue
there. I know you will
be guided in any future
decisions. We all love
you and want you to be
happy. Love from us all,

Jim
