My Darling Joe: - I really
feel that I have been neglecting
you but have not meant to
do so. It seems that all the
time has been taken up
in some way. Monday forenoon
I spent in looking up
Anna Shull's case. I went
to see her and then to see Dr
Mayhugh and they think of
having her go to Dayton with
me. Mon. afternoon Long and
her mother were here. They were
invited and in the evening
entertained Mother's S.D. class.

we had chicken, scalloped
potatoes, bread & butter, pickles
coffee, ice-cream & cake.

We fixed everything so it
kept us busy. They gave
mother a lovely silk umbrella.

Yesterday, Mother, Carrie, Elsie &
I spent the day with Mrs.

Adams & Doris. Tues. evening
Mr. Kline was here & last

evening Mr. Cunningham
so you will not wonder I
am rather sleepy. This morning

I went to Columbus with
Mother, saw her on the train

and then went to see Dr. Rogers
as I believe you advised me
to do. He thought I looked

much better than when he
last saw me.

He administered his usual
treatment and says I am
some better than a year ago.

After looking at my eyes
he thought best for me to
have a thorough examination
before going home, but my
glasses need changing.

I disliked very much to have
it done just now but I thought
perhaps it might save considerable
expense some other time. Dr. he
gave me medicine to treat
them with until Sal and then
I am to go back and have them
tested. He asked about you as
everyone else has done.

I rec'd your letter ~~the~~ Tues.
evening. It was very kind of
you to send me so much money

I am getting better & am
so glad but have not been however
in good any only a little bit. when
I feel nothing griffin this morning.
May God still keep you and
keep you and keep you.

I shall spend it carefully.
Do not send me any more. If there
should be any extra expense
connected with my cure I will
arrange to pay it later.

I am so glad to know you are
getting along so nicely, but cannot
refrain from thinking a great deal
about you. I have ~~you~~ decided to
stay until Mon. if you are well
and think you can get along
all right as you will be gone over
Sun. any way. If you should want
or need me to come home sooner
let me know (by telegram if you can-
not otherwise) and I will come any time.
Now get plenty to eat and do not try
to get everything done just shut up the
rooms and leave the work Sun. morning.
