

Carroll O. Aug. 4th 1917

Rev. J. H. Harris Col. O.

Dear Mr. Harris:

I desire to express my sympathy ^{and} offer condolence in the very sad accident last night in which Mrs. Harris ^{and} her brothers were so badly hurt. Just they will be covered all right. We were awakened about one o'clock this morning by some one seemingly in distress, which proved to be your brother-in-law. Said he had tried to awaken them in four or five houses but had failed. My son got them to the home of E. C. Gayman Canal Winchester as soon as he could by automobile. I looked around with flashlight and found a ladies watch, ring - (broken) some of the etc

out. small stick pin, base ball, Mrs. Harris' card, a blank check, and automobile supplies which I brought home. My son (Howard Artz) went up this morning and brought home tools cushions etc. After breakfast he brought Automobile and put it in shed. but while he was away some one stole the dinner, (He also found one hook and part of a lens of a pair of spectacles.

The accident happened on the Jefferson hill on Columbus pike. Some fresh gravel had been placed on road and that evidently caused accident. The machine had rolled over as fenders on both sides are crushed. The top is ruined. One tire is down aside from this don't think the damage great. He will keep things here until further orders. My phone number 918 Canal Winchester (Ct) can be reached on Bell Carroll. Call Howard Artz. Trusting all may recover nicely & remain
Most sincerely yours, J. W. Artz Carroll
