

A
Note From

Helen

Dear Pauline & Paul, Jan 11, 1992

I want to thank
you both for your wonderful
hospitality and friendship.

Paul is very fortunate to have
met you both.

I arrived safely
in Florida Thurs. evening and
tried to leave Paul, however
I got him moving and he called
Thurs. evening to read me
your lovely note and he
sounded pretty good. I do so
worry about him & the children
and wish I wasn't torn with
other responsibilities so I could
help more. I have been raving

to my daughter about your
chicken dinner + cranberry
dish but unfortunately unless
I write things down at my
age, I soon forget so I would

appreciate it if you get a chance,
for I know how busy you are
as I am also if you would
send me both these recipes.
I'll be here until the end
of the month. -

Trust you are
both well and thank you
again for every thing.

Sincerely

Helen
