Dear One:

It is 3:45 P.M. & Dr Baich is giving report on Pension Plan, I gave my report this P.M. and I course feel relieved. Worked late last night see comm. Should have written sooner James made call. He was with me one night and went to Y. Good room, good eats at cheap rate. Good day so far. Begin elections tomorrow. Anxious to know if storm damaged anything on sea, grade.

Mrs Norton, Mrs Batdorf and many others asked to be remembered to you. I saw Mrs Rice twice Patsy took dinner with James & me at noon today. She said B has a place to work. I asked her if she would go home with me and she said "I would like to go but cannot go unless mamma attend dinner tonight. See, tomorrow night. Am sending copy of papers to office and also to you. We have a pretty nice exhibit. Hope all goes well with you.

Affectingly
