

June 30

Darling Joe - I wonder if you
remember this date.

Can it be possible that we have
walked together for 32 yrs, and
that God gave us six sons.
I fear my part of the contract
has been very poorly fulfilled
and yet I've tried to do my best, I have
indeed.

But your part has been more than fulfilled.
We are fast approaching a more difficult
part of the journey, but the same God
who has led & provided for us for 32 yrs.
will go with us even down to the grave.
Let us trust him to make plain the way.
I love you a thousand times more than
I did 32 yrs ago today because you have
proved yourself true in every way.
Still your sweetheart
Bertha
