Dear Barbara,

I am sending along several items as I had promised to do when we talked on the phone the other day. Please find enclosed:

Family Group Record of Watson Harris

Information on Charles W. Harris, including the correspondence between his step-son and J.H. Harris

Biographies of Richard Harris, Beulah Thomas, and Nancy Work by Joseph Hastings Harris

THE GOLD MINE, autobiography of Watson Harris!

I intentionally left the biographies and auto biography unbound and unstapled in case you would like to make multiple copies for your children or grandchildren. Bound nicely, it could make a wonderful birthday or Christmas present, if you can keep the secret that long.

I am sure this will keep you busy for a while. I hope you enjoy them and I am looking forward to visiting you and your "gold mine" sometime.

Thank you for all the help you have been,
