

Bartholomew, May 18. '95.
Mr. J. H. Harris,
Adelphi

Dear Joe: - Once
more amid the bustle
and noise of visitors
I come to talk with
you a little while.
We have just had a
lovely shower which
makes all nature seem
glad.

Your letter was recd
Tues. night or rather
Wed. morning.
Tues. night was our
business meeting, and
with the organ question

it lasted quite late.
After that we practiced
a play which we are
preparing for an enter-
tainment, so altogether
it was almost morning
when we got home.
I sent a letter for
an organ for the church
today and hope to see
it here before I leave.
Our entertainment is
for the benefit of the
organ. it will be May 8.
The folks here say I must
give you an invitation.
I wd if I thought
it were any use but
I have tried it and you
never accepted it so I
will not waste the
marks on paper.

I think there will
be no time for me to
get lonely now with
the work I have on hand.
Jim Selby's came up
yesterday and expect
to remain about two
weeks. Sam was bad
enough by himself
but with another of his
equal I hardly know
what I am to do.
Another wedding! John
Armstrong & Lizzie Powell.
I think I will have
to leave this neighbor-
hood before many weeks.
You asked about
the High School Comm.
at Westerville. It will
be Fri. evening May 24.

Quite a sad accident
occurred last Wed. Mr.
Lover's little girl got
a grain of coffee in
her windpipe. They tried
every remedy that four
doctors could conceive.

They said it was
impossible for her to live
in that way and at last
opened her wind-pipe
and removed the grain.
She is improving
rapidly and they think
she will entirely recover.
Please excuse this short letter
as there are so many talking
around, I can hardly collect
my thoughts. Lovingly,
Zulha Lambert.
