Dear Pat,

It was great to get to meet with you, Jim, Rita, Brian, Josh, and about seventy new cousins! It will take me a little while, but I will compile information about all of the Peters in your branch of the family and distribute it to everyone.

I promised to send a copy of the recently received birth certificate of Mae Peters. Happy to enclose it and will keep you informed of any new research findings. I am sure I will have some additional questions for you as time goes by. Looking forward to keeping in touch.

Sincerely,

Paul J. Harris
