Dear Harry and Chris,

I am still researching a book about my father, Paul J. Harris and hope you may be of some additional help. Of particular interest is his time in Chicago during the late thirties and early forties.

I am enclosing two copies of a photograph that I believe was taken during that time. I would greatly appreciate your attempt to identify the individuals pictured with Paul and Margie and their relationship to them. I would also like to know if you can establish the year and location of the photo.

The following are known addresses at which they lived:

5200 North Sheridan
211 East Delaware Place
1350 North Sedgwick
1244 North Dearborn

Could the photo have been taken at one of the above locations, or is it at someone else's home?

I know this taxes one's memory to reflect on events that occurred fifty years ago, but I would be grateful for any information you may be able to provide.

Please make any notations you can on one copy of the photo; the other is yours to keep if you desire. I am enclosing a stamped, self-addressed envelope for the convenience of your reply. I look forward to hearing from you.

Sincerely,

Paul J. Harris, Jr.
