WILL

William Todd, grandfather of Nancy (Work) Harris.

Copy obtained at Belmont County, Ohio Court House, Probate Court. It was falling apart so a lady put it together for me and gave me a copy.

I have the original newspaper clipping of Frances Harris, Leonard D. Harris and Ira Lambert in my possession.

Note: In the other article on this paper the name is Joseph instead of James Arthur.

WHO'S WHO IN AMERICA

(This is not a very good copy)  
James Arthur Harris

Joseph Hastings Harris

I am sending along a copy of the marriage of Guy Huffman, on the Huffman family sheet you have 1900. You may have put the wrong date in by mistake.

Dear Paul:-----

It was very nice talking to you this week about the Harris family. I am sending along a few copies you might like to have. I am sending all pages of Marion Township, Morgan County that is in the 1886 history book. This will answer the questions you had about Chesterhill and Plantsville and etc. You will learn alot by just reading it. It had been years since I had read any of this information.

Looking forward to meeting with you in the near furture.

As Ever,

*Barbara*
