

Lake Geneva It is

Mr. Harris.

Athens O.

Dear Joe: I am here
safe and sound and
feeling fine this morning
We arrived here last-
evening about 8 o'clock
and was so tired I did
not get a letter written
in time for the mail.
We attended a short service
last evening, and the work
begins this morning at
8:30. I think I shall
take Missionary work
and Personal work. I
will write more when
I can have time

I thought Fra was
mild about Geneva but
"she half has never
been told." Everything
is beautiful, especially
the lake. I wish I
might see you this
morning.

I Lovingly
Bertha Lambert.
