Dear Paul,

It was fun spending a few hours with you last weekend.

You are fortunate to have so many original records.

Did you obtain your program consisting of family group sheets, etc. from The Everton Publishers, Inc. called "My Family Record?" They have one advertised for \$179.50. They're offering the new version for only \$50 to owners of the original - plus the return of the old disks. From the description, it sounds like yours.

We brought up the one Bill Jaguays entered but we couldn't understand it. Will wait until he visits.

Browns were clobbered today by Kansas - heard Chicago lost, too! No hopes for the Browns!

Looking forward to a visit with you soon.

Cousin Gen

P.S. The William Alloway family did not move to Sparta, Kent Co, Michigan. It was my g. grandfather and his family, Alfred & Rebecca (Alloway) Ellis. They settled in Michigan about 1865, where they remained.

Rebecca's mother and step-father, Sarah (Harris) ^{Alloway} and Thomas L. DeWees remained in Morgan Co along with Rebecca's sister, Priscilla (Alloway) Palmer. Her other sister and husband, Samaria (Alloway) and Edmund Smith lived in Athens Co, Oh.

Her brothers, Adjalon and Marion, and sisters, Emeline and Hannah, settled in Vernon Co, Wis.

Will be glad when I have a program like yours so I can enter and share my information by passing a few keys!
