"Well men, it looks like we're hopelessly lost at C!"

Dear P. J.

Feb 22, 1983

I - heard thru the grapevine that Braniff - what's left of it - is being taken over by a Calif. company, and that former pilots are being rehired before others are considered. You probably know all about this; but I just wanted to be sure you knew about it, and were in touch with your office -

Best wishes, Uncle Dan.

Nobody knows de
treble Ah see!

A few suggestions

1. Try to eat regularly.
2. Get some exercise. Walk!
3. Watch your appearance.
Don't look sloppy!
4. Stay off the bottle!
5. Try to laugh at yourself.
6. Every morning when you get up, look at yourself in the mirror, swear, and ~~do~~ say -
"Damn it! I will survive!"
