Dear Deborah B. James,

Thank you very much for your help and research on the Daniel Lambert family for the material you sent and your interest in looking up dusty records.

Now I wonder if the information from Pauline Lambert Warfel was ever published in Otterbein Towers. Her list of 29 people from that family who attended Otterbein must be a record of general interest to alumni. If not used before, I suggest you bring it to the attention of the editor now.

My mother was Grace Selby Smith and her picture was on the magazine cover for Sept. 1952, together with a little story quoting her tribute to Otterbein based on her attendance in 1898-99.

With sincere appreciation,

Malcolm Smith
