Dear Paul,

I hope this letter finds you well. Enclosed please find photocopies of records which were retrieved during research into Lot 3781 in Section 76 of Greenwood. Since your request for Lot 3783 included Lot Book entry showing information for purchase of Lot 3781, I did not send this entry to you again. Everything else besides the Lot Book entry was pulled and prepared for you on Lot 3781. If you have any questions, don't hesitate to contact me. I hope the records prove useful to your search.

Respectfully,
