Dear Pauline,

Thank you so much for all the thoughtfulness you have given to your efforts to settle Uncle Klick's estate.

I listened to the tape of Grandma Harris & was transported back to the many happy visits she made to our house. It really made me appreciate this "stock" from which I sprang.

Also, thank you for the book on Peace Pilgrim. It's uncanny to know of someone else who appreciates her. When we lived in student housing in Syracuse in 1961 approx. she came thru town & of course we were thrilled to offer her lunch - & I even mended her slacks!

Thanks again for your faithfulness as a dear friend to Uncle Klick.

Warmly,
Diane

We wish you a holiday season
of wholeness and peace ~ and full
of warm storytelling with loved ones!

Thought you
might get a pick out
of Tom's + my current greeting
card. The picture is one we took up
in the northwoods in front of our cabin
one warm summer day.

The day I received your letter in the mail
Dan Harris Jr. called from NC. We probably talked
for 1 1/2 hours just catching up. Thanks for the
cousin list + addresses!

Merry Christmas!
