Dear Jeanne,
Sorry I have been so long answering your note.

Your mother was born in Pzernic Township, Adams County, we lived in the first house east of the Nat. Hermon church where you went to the home coming. Dad owned the land ~~on~~ surrounding the church. Mom and I went to Aunt Lucy Huffmann's when she was born.

I was born at grand father's home. Grandmother Harris ~~was~~ died in August, my father and mother were married Sept. 20 1887 to help grandfather take care of uncles Joe, Carlos, Leonard Howard + Seth. Some job for mother:

Mom was born in Plantville where the folks lived for a short time. Harry and Helen were born where your mother was.

Glen is now in a home for senior citizens. They

take outsiders to care for them ~~time~~ honorably. ~~He~~ came from the hospital last Sunday, he had his bed in the dining room because he was not to do stairs. He was so much weaker than when he went to the hospital on Tuesday night he fell in the bath room and we had to call an ambulance to take him to emergency. He was not seriously hurt. He was home by 2 a.m. I was ~~with~~ with him just a little Hello to let you know

I'm thinking of you!

DS in the Niagara chair the rest of the night. The next day he was admitted to the Manor. Bill found him better yesterday. I am sorry I am not able to take care of him. I got very worn out in the three days he was home.

I'll try to write often.

Love,

(over) Cassie
