

MERRY CHRISTMAS

AND

HAPPY NEW YEAR

Dec 11, '92

We assume that you have been out of a job since ~~Frank~~ ~~folded~~. We are so sorry and just wish you may find something else soon. If you want to come to Dallas please let us know and stay with us.

We are still concerned about our son, LINDY, who ran with his sons after his Ex denied visitation. Lindy was put in prison for 7 months and is now back in Dallas writing a book.

He has not been allowed to see his two children so we have filed for Grandparents access rights but the court has found ways to stall that action for two years.

Our family in Arkansas and in Georgia will be here for Christmas but the Colorado family will not come this year.

I hope you & your children have a good day as Christmas.

MAY THE SPIRIT OF THE
BIRTH OF JESUS
BE WITH EACH
OF YOU
THIS HOLIDAY SEASON
AND
MAY THE FATHER IN
HEAVEN BE WITH
YOU IN 1993
