My Dear, Dear Sister; When you left us I hoped that before you left the state we could send you money enough to come down for a few days together again, but we must forego that pleasure but I want you to know that the happy days we spent together are a cherished memory.

Should any chance to inquire about us just say we have nothing to boast of, little to complain of, and much to be thankful for many things

have changed since you were here. Over 100 new houses going up on the beach. Over \$4,000,000, ^{worth} in the whole city. Many sales, but prices still too low. a few days ago the new Beach homes averaged 14,000 each, a N. Y. woman bought 3 for 100,000 this week. A Federal Committee was entertained at the Billmore one evening this week one asked is this air conditioned?

Did you notice that Emporia Kern has had 100 or over every day for a month!

Neighbors are afraid Jackson's are going to lose their home.

Bad title. Too bad, for he told us
their house had been robbed
3 times and they had been ⁱⁿ 4
bank failures (or else 3 Bank fail-
and 4 burglaries) I hope they will
escape this time. (I would not
tell ~~there~~ their friends up
there.) I think it was not all here.

If you see some of the
folks when you get back
tell us the news.

O, I do hope all goes for the
best and that the way will
will open up to better things
than we know or can
plan. How often we look back
and realize it did.

We are well as common^{and}
so very grateful for our cool
weather. I suppose your tradit^{ion}
much warmer. Our sea breeze
and one or maybe a few 93
but never long at that.

I do think Richard is as care-
ful a driver as I ever saw
and there will not be crowds
in Aug so hope all goes well.

Love so much love to all

Ida.
