

Warsaw Ind.
mon evening.

Dear Ones:

Train late at Anderson. Called taxi
and went to Grand hotel. To bed 1:45 P.M.
Up at 6:30. Geo. wakes. Train at 7:50.
Passed through Alexandria and Summitville
where I started out about 1893. Got off
train at Silver Lake and had to walk over
half a mi to the Church. Building cold but has
a fine rally. After rally I drove to Warsaw
met Rev. Livingston, took supper, and will stay
over night. They have three boys and 1 girl.
eldest boy grad. from H.S. this yr. and will go
to P.C.E. next year. I guessed the menu
at the Church today. Fringe supper here. Rev. Knapp
will pick me up here tomorrow morning.
So far as I now see I shall get home
about 3 A.M. Sat. Rev. Livingston has
a meeting at the Church tonight so
I think I shall retire early to make up
for last night. People are very kind and
seem to appreciate my being with them.
I hope you all had a warm
Christmas to hear about the flute.
The ^{oldest} boy here plays tuba.

Affectionately J. H. Harris.

Ralph & wife came in. Glen came home

Fri. to a temporary hospital near here.
