Dear Paul, Abby + P.J.;

I've been meaning to send you this since I got back from Raleigh but time just goes by so quickly & I've been really busy. As you well know moving is a chore & although Patti only moved personal stuff from here, she & I can't believe how much she had. I've also been getting rid of a lot of stuff & now with the cat gone, I have a lot of cleaning to do & then Larry's going to start painting on Sunday. Patti found a home for Annie with a woman in N.Y. The only thing is

She wants a weed trial to  
make sure it works out. -  
Her son has a 13yr. old cat.  
The son picked up Annie  
yesterday & he seems to think  
it will be fine. I hope so.

Yes Patti is finally in her  
house. She moved in Sunday.  
I can't remember if I gave you  
her #'s I think I did but here they  
are again, in case -

How's every thing going?

I'll probably try to call but  
I plan on going to Boston this  
weekend to see John, Maryam & Alex.  
& then I'll be busy here &  
getting ready to go to FL for Thanksgiving.  
I really would like to be with you  
guys - but maybe next year -  
I'm working on it -  
Take care & I'll  
be talking to you. Soon. - Love to all  
from all.  
Helen

Paul,

I spoke with funeral Director Re mom's ashes. - They don't make any notification for the casual request I made because they would then be charged a cemetery fee, which we would have to pay but the information is as follows -

piece Dining Room or  
wherever. - I'm anxious to  
see furniture. Maybe I  
can work some thing out
