

Ada, O. Dec 17, 1893.

Miss Lambert,
Westerville, O.

My Darling Bertha: your letter just received makes me glad and in reply let me say that the Teachers have very kindly consented to arrange my exams. for today and tomorrow, so I shall leave here Thursday morning and will arrive at Col 10:40 where it will be necessary to make one or two calls before reaching you. I wish I might be able to tell you just what time to look for me, but do not miss any of your work and I will be with you as soon as possible.

I can scarcely wait for Friday to come for then I shall see my better part for which my soul has been longing for three months.

Do I think her selfish? No more than I wish her to be. Surely she deserves the best and I could not be content to grant to her the best of my time, all my love and whatever else I may possess. I wish we might spend a wk. together.

May God keep my sweetheart until we meet.

Devotedly, J. H. Harris.

I wish to go to Athens Friday. J. H. H.

66.
