Dear Beatrice!- All well here. I have not meant to neglect you & Patsy but so many things have come up.
I am planning a "Love basket" for Patricia. I am writing to a number of the folks and will call Mrs. Kunkle. Each one will send to you a little gift. You can then number the gifts and put them in a basket and she can open one each day. I am writing Dan & Alethe, Paul & Margie, Carrie, Hannah, Martha, Mrs. Mason & Nancy. I will call Mrs. Kunkle and she can tell your friends up north.
A letter from Dan this morning stated he had signed a contract for Spring Opera at the Metropolitan. We are all so thrilled, and Mrs. Dan is almost walking on air. I want Patsy's basket to be a surprise for her and think things should be in by the last of this week.
With love for both of you
Mother H.

I am enclosing one dollar. I suggest you get some hose or something she needs.
You can enclose this card.
