

Battle O. May 5. '95.  
Mr. J. H. Harris  
Ada O.

Dear Joe: - I come  
again to repay the happy  
visit I rec'd yesterday.  
Your letter found me  
in the school-room  
and, almost melted.  
Spring has surely  
come at last, but  
modest beauty is display-  
ed in every nook and  
dell. How bright and  
cheery she seems! It  
surely ought to make  
one happy to see so  
many beauties in nature.

I was at church and  
S. S. today as usual  
and this afternoon  
I have been reading in  
the book you sent me  
perusing the story of  
The New Governor. Thinking  
of you and of home  
etc etc

I am enjoying this  
day immensely, but  
I believe the enjoyment  
would be even deeper  
were you here.

I had school again yester-  
day. Now, nice it seems  
to have one day of rest.

Can it be possible, that  
two more weeks will  
end my stay in Athens  
Co. for the present and  
perhaps for all time?

I can surely say it has  
been a pleasant one  
and I surely have  
a broader comprehension  
of life and its difficul-  
ties.

Father was down last  
week, it was quite a  
treat to see some one  
from home again.  
Guess the news!

Ed. Embury and Anna  
Elliot (Chalk's old girl)  
were married last eve.

It begins to make me  
feel a little old to see  
my younger cousins

getting, however I am  
content if they are.

Walter Embury does not  
get any better. Charley  
Hanson is much better

so he was at church  
today.

He would surely  
feel a sense of pride  
to see Prof. Linn placed  
as governor of Ohio  
but and I believe he  
would surely be the  
right man in the right  
place.

I saw Leonard at church  
last Sun. I believe  
Ada has surely left  
its marks of improve-  
ment on him.

He and Howard went to  
Athens a few days ago  
and have not returned  
yet.

The time you stated  
to visit my home suits  
me exactly, or if it  
will be more convenient  
for you at any other  
time, be free to make  
it known.

I will probably be  
at home, there for four  
weeks as College Comm.  
will not be until  
about the 15th of June  
or near that time and  
I expect to remain until  
after that.

I also want to attend  
examination at Columbus  
while there.

Father rec'd a letter from  
Ida a few days ago.  
they have gone to  
Enterprise Kas. to live  
this summer.

I hope it is not  
so warm at Ida as  
here, 98° in the shade.  
I am glad to see you  
so intent on staying  
in school.

I have been out so  
long it will be quite  
a task to get started  
again I fear.

May God's guiding hand  
direct us in every  
undertaking of life.

Yours truly  
Lutha Lambert
