

At Home

Sept. 2. '48.

My Darling Joe; — I will
penel a note to Sam or —
let you know I am well
and trying to wait patiently.
Last evening while sitting
on the porch thinking of
you Sam came across
the road and disturbed my
meditations.

Let you should not get
my last letter I will
repeat a little. Father is
church treasurer and has
forty dollars due in the
bank which we could have
for a year or eighteen months
or longer I think.

He would have to charge us
a little interest - but we
would expect to pay that
I thought - This might be
some help in our arrange-
ments - if you have not
been able to secure the
amount. But if this will
not suffice and you think
we had better not enter
school let us just be
cheerful for I believe
there is some place for
us. I feel like I have been
almost cruel to just come
away and leave you all
the worry and responsibility
but I thought it was
best - and am trying to do
my part the best that I can.

I hope however to see
you and Grace tomorrow
evening. Dear Joe remember
I am praying for you
that you may just be led
and guided by the Holy
Spirit and (if it is God's
will) that you may be success-
ful in your arrangements
for the Seminary.

May the dear Master be with
you and bless you.

Remember you are dearer
to me every day that I live.

Trusting
Yours own true
Bertha
