Dear Paul,

A quick note to put in with Cassie's letter + the legal letter from Pat Arnold. Finally, I remembered to copy the originals.

Also - thought you would like to see just who we're discussing. My childhood friend, Jane, who wanted me to mention the Utah Mormon source to you, said it's nice to have a better idea of the people you are obtaining information about. She's done some research on her family.

My mother, as you can see, was a very pretty lady. She was also a good worker. She worked as a telephone operator from the time I entered grade school. After Westerville went to dial phones, she worked on switchboards at Ohio State + then Otterbein, which was within walking distance from both her Westerville homes.

Enjoy the pictures. Jean
