Dear Dick:

When I got up this morning and looked at the calendar it flashed across my mind "Dick's Birthday". This will be late in reaching you, but I want you to know that I am thinking of you today. I appreciated your good, long letter and have re-read it many times.

I am considering the possibility of coming up for the Otterbein commencement this year. It will be my 65<sup>th</sup> class reunion. Not many of us left, I am sure, I have a warm feeling for Otterbein, and you will remember that the three of us were in school at the same time, Paul, Mother and I. I will let you know what I decide to do.

In the meantime I enclose  
this check for you to use as you  
see fit. With it I send my best  
wishes for you health and  
happiness.

Do keep in touch

Much love

Dan
