Dear Mrs. O'Connor:

On behalf of the residents and staff, I would like to extend my condolences on the loss of your sister, Marjorie Harris. Midge was such an important member of the Morristown Rehab. Center family for so many years that we all share in your loss of such a special person.

Your generous donation of the pink dogwood tree in Midge's memory is greatly appreciated by the resident and staff. Having the tree, planted near our entrance, will give our residents and staff a constant reminder of Midge. We are also grateful that you will be donating a bench in the Spring to place near the dogwood tree.

Thank you again for honoring Midge's memory in this special way.

Sincerely,
