Dear Paul, Pat + Abby,

How are things working out with the cats - ? Patti sent away for the contraption to train the cat to go on the John instead of having letter box. I'll let you know how it works. It would be alot cheaper than buying all that litter + having to empty it etc. -

Paul, thought you'd might want to read this article. Don't know if it was in your paper or on news but it pretty well confirms what you said. ~~it~~

We try to raise our kids to become good honest people + when they

grow up, they find we
taught them a lie ~~but~~
because very few adults
are good & honest. - It's
kinda scary.

Well nothing
else new here - Weather
has been absolutely beautiful.
I've been busy trying to
get some order in to this
journal. I've neglected it
for a long time.

Will be in
touch soon. Would like
to take a trip out there
but not sure just when,
yet. - Take care -
