ADMINISTRATION

Executive Head

LEO W. DIFFORD

It is my pleasure to extend my personal congratulations and best wishes to each member of the graduating class of 1965.

During the past twelve years you have been laying the educational foundation for your life. You have learned many of the principles of worthy living and worthy citizenship. We hope that you will always remember and practice these principles as you go out into the world and a more complex life.

May you be successful and happy in your chosen undertakings of life. Justify our faith in you, that in future years we may proclaim with pride that you are graduates of Badger High School.

Principal

STANLEY WASIK

Four years ago the Badger High School Class of 1965 looked forward toward graduation with a great deal of apprehension. This goal has now been realized.

You are now looking forward with a greater amount of zeal and zest as you leave here and enter into your post high school plans.

May I again take this opportunity to wish the Badger Class of 1965 the best of health, happiness, and success in any work that you pursue.

In Memoriam

Harry Myers

The world is a better place for his having been here. We shall always remember him as our good teacher, coach, and friend. The well-known saying, attributed to a Quaker missionary, might well have been Harry Myer's own: "I shall pass through this world but once. If, therefore, there is any kindness I can show or any good deed I can do, let me do it now; let me not defer it or neglect it; for I shall not pass this way again."
